2. GENERAL INFORMATION FOR BIDDERS

Sites: The City of Rochester maintains five large swimming pools, and one beach bathing area for use by the general public.

2.1 There are two indoor pools, operated year round, located in:

2.1.1 Adams Street Recreation Center, 85 Adams Street

2.1.2 Clinton-Baden Community Center, 485 Clinton Avenue North

2.2 There are also three outdoor pools, operated during summer months only, located in:

2.2.1 Genesee Valley Park (West), Avenue D, and Flint Street Recreation Centers.

3. USAGE

3.1 Original equipment, parts and supplies listed in these specifications have been purchased and are in place or stocked at the pools listed above. Replacement by purchase from this contract will be the result of largely unpredictable factors such as wear, breakage, vandalism or theft.

3.2 Use of water treatment chemicals and supplies is subject to the following variables:

3.2.1 (Indoor Pools) Number of pools, foreign materials introduced into water, leaching of pool finish.

3.2.2 (Outdoor Pools) Proportion of sun to shade, general weather, number of users of pool, amount of dirt blown into water, leaching of pool finish.

3.3 It is assumed that vendors doing business in this area will be accustomed to the effects of these factors.

4. QUANTITIES

4.1 Quantities listed on the proposal pages are estimates only.

4.1.1 There is no guarantee as to the actual quantities to be ordered.

4.2 When a quantity of 1 is indicated, that is done to establish a price in case the item is needed.

4.2.1 There is no guarantee that this item will be ordered.

SWIMMING POOL CHEMICALS, PARTS AND SUPPLIES- REBID

- 4.3 The City reserves the right to advertise for a separate contract to purchase large unanticipated quantities if a volume price discount can be obtained by doing so.

5. DELIVERY

- 5.1 Most items ordered under contracts resulting from bid of these specifications will generally be delivered to stockrooms of the Department of Recreation and Youth Services or the Department of Environmental Services.
- 5.1.1 Items may also be picked up by City employees at the vendor's place of business.

- 5.2.1 Items marked by asterisk* must be available for delivery or pick-up within forty-eight (48) hours.

- 7.1.3 Where a manufacturer's name and catalogue number is requested, it must be filled in.
- 7.2 All products bid must be suitable for use in large, public access pools.
- 7.3 Products must be supplied in clean, sound containers in the sizes indicated.

SWIMMING POOL CHEMICALS, PARTS AND SUPPLIES- REBID

8. HAZARDOUS MATERIALS

9. TERM OF CONTRACT

9.1 The contract(s) shall be in effect for **eighteen (18) months**, beginning on date of award and ending on December 31, 2014.

9.2 Upon mutual agreement, the contract(s) may be extended for an additional two (2) years, in one year increments or less.

10. PRICE CHANGES

10.1 Requests for price increase shall be made in writing to the Purchasing Agent at the time of extension only.

10.2 Requests shall be based on supplier cost increase to the vendor.

10.3 Price increase cannot exceed supplier's cost increase to the vendor.

10.4 Supplier's substantiation must accompany this request.

11. MATERIAL SAFETY DATA SHEET (MSDS)

In order to comply with the federal OSHA Hazard Communication Standard (HCS), the New York State Public Employee Safety and Health Act (PESHA), and the New York State Right-to-Know (RTK) Law, the City of Rochester must have a Material Safety Data Sheet (MSDS) on file at point-of-use for all hazardous chemicals.

11.1 The RTK Law requires that all OSHA Subpart Z chemicals and any chemical listed in the National Institute of Occupational Safety and Health (NIOSH) Registry of Toxic Effects of Chemical Substances be designated "hazardous." Therefore:

A. Any bid submitted without the required MSDS(s) will be subject to rejection.

11.1.2 Every shipment of a hazardous chemical to the City of Rochester must be accompanied by a fully completed MSDS.

SWIMMING POOL CHEMICALS, PARTS AND SUPPLIES- REBID

11.1.4 Failure to comply with the requirements of parts 2 or 3 of this section may result in retention of payment until the appropriate MSDS is received.

12. POLITICAL SUBDIVISIONS

Bidders should note that other political subdivisions may participate in the contract resulting from this bid award as authorized by General Municipal Law. Use of this contract by any other political subdivision must be coordinated between that subdivision and the contractor. The City will have no responsibility for any such purchases and will have no other role than to provide other political subdivisions a copy of this contract if requested.

13. NON-COLLUSIVE BIDDING CERTIFICATION

By submission of this bid, each bidder and each person signing on behalf of any bidder certifies, and in the case of a joint bid each party certifies as to its own organization, under penalty of perjury, that to the best of its knowledge and belief:

- 13.2 Unless otherwise required by law, the prices which have been quoted in this bid have not knowingly been disclosed by the bidder and will not knowingly be disclosed prior to the bid opening, directly or indirectly, to any other bidder or to any competitor.
- 13.3 No attempt has been or will be made by the bidder to induce any other person, partnership or corporation to submit or not to submit a bid for the purpose of restricting competition.
