5. QUALIFICATION OF BIDDERS

- 5.1 In order to be considered qualified for this contract, bidders must be able to demonstrate to the satisfaction of the City that:
 - 5.1.1 The bidder has in operation a parts and repair facility adequate for and devoted to making small equipment repairs as specified in this bid for the range of equipment and manufacturers listed in Section 2, offers these services commercially as a standard business operation, and can give references of at least two customers similar in size and/or scope to the City of Rochester.

PRESSURE WASHER PARTS & REPAIRS

5.1.2 The primary facility servicing the City of Rochester must be located within a ten (10) mile radius of the City's Operations Center at 945 Mt. Read Blvd., Rochester, NY 14606 to facilitate rapid delivery and pick-up. This facility is where the City will be provided with over-the-counter service, if needed.

5.1.3 Repair staff are fully qualified and experienced in repairing the range of small equipment listed herein.

5.2 The City of Rochester may inspect the bidder's facility and require submittal of such additional information as may be requested to verify the bidder's ability to service this contract.

5.3 The Contractor must provide evidence satisfactory to the City that it has in place standard commercial insurance covering the operations of the business and sufficient to cover any losses to the City for City property while it is in the possession of the contractor.

6. CONTRACT PERIOD

6.1 It is the intention of the City to enter into a contract for a term of approximately one year commencing upon the date of contract award and ending on March 31, 2015.

6.2 The City may extend the contract under the same terms and conditions for two (2) additional periods of one-year or less from date of expiration upon mutual agreement of both parties.

7. PRICES

7.1 LABOR COST

The labor cost for each repair will be determined by multiplying the number of hours of labor approved in the job quote approved by the City by the hourly rate in the Proposal.

7.2 PARTS & SUPPLIES COST

Parts and Supplies/materials are to be billed to the City based upon the contractor's cost, which shall be defined as the contractor's net price plus the markup bid in the Proposal. Price lists used must be industry standard, either OEM or City approved aftermarket, depending on what is agreed between the contractor and the City at the time of the job quote. Miscellaneous supplies used in the normal course of business may not be billed separately to the City, as those costs are to be absorbed in the contractor's markup. The contractor must document, at any time, upon request of the City, the contractor's net price as shown in an industry standard price sheet or catalog. Failure to provide satisfactory evidence of the contractor's net price, upon request, shall be cause for the City to reject any invoice for said parts and supplies.

PRESSURE WASHER PARTS & REPAIRS

- 7.3 All repairs shall be priced F.O.B. destination, including unloading at storeroom door of the ordering department.
- 7.4 For emergency orders, the City may request shipment by other than normal method. Approved additional transportation charges must be shown separately on the invoice.
- 7.5 Parts which must be special ordered shall be delivered within ten days after receipt of order.

8. METHOD OF AWARD

- 8.1 Award will be made to the lowest responsive and responsible bidder based upon the lowest Total Cost as shown on the Proposal. The Total Cost shall be calculated based on the two cost components on the Proposal. The hourly rate bid shall be multiplied by 120 hours and the markup rate shall be applied to \$1,000 to calculate the City's total cost for parts and supplies. These quantities do not necessarily represent actual usage of this contract – they are for calculation purposes only.
- 8.2 The City reserves the right to award two contracts from this bid. The primary contract will be awarded to the lowest bidder per Section 8.1. If the City chooses to award a secondary bid, it will be awarded to the next lowest bidder per Section 8.1.
- 8.3 The City reserves the right to reject any bid where prices or discounts offered are unbalanced or otherwise not representative of fair market pricing that currently exists in the marketplace.
- 8.4 The City reserves the right to calculate its lowest cost if there are ambiguities or inconsistencies among bids, and to award any contracts based upon the City's determination of its lowest cost for the work described in this bid.

9. QUANTITIES

Quantities are indefinite, thus, the City can make no guarantee about the amount of business that will result from this contract. The City intends to use the contractor(s) for this contract to perform pressure washer equipment repairs that the City chooses not to repair but it is expressly understood that this pressure washer equipment repair contract shall not obligate the City to exclusively use this contract for obtaining repair services for its pressure washer equipment. The City cannot predict when it will need to order repair parts or repair services from this contract in the future, or in what quantities. The City may choose to issue one or more purchase orders to cover the term of this contract, however, the City will only purchase and pay for quantities actually requested and used during the term of the contract.

10. ALTERNATES

In the event satisfactory bids are not received, the Purchasing Agent reserves the right to consider alternate proposals that take exception to these specifications. Bidders must explain in detail where such alternatives deviate from or qualify the terms of the proposal and specifications as issued.

11. PACKAGING

All items furnished must be new and in the manufacturer's individual original standard package, clearly marked as to part number and contents.

12. INVOICES AND PAYMENT

12.1 Payment will be based on any invoice used in the contractor's normal course of business. However, payment will not be made unless the invoice is clearly legible and contains at a minimum all of the following information and is attached to a signed City of Rochester invoice.

12.1.1 Reference to the approved quote (e.g. "per quote #")

12.1.2 Accurate repair description

12.1.3 Time spent and billed for the repair (e.g. labor cost)

12.1.4 Catalog/item number, unit price and quantity of each part and supply billed

12.1.5 Net total cost to the City, after discount

12.1.6 City Purchase Order number

12.1.7 Date of delivery

12.1.8 Location of delivery

12.1.9 A written explanation of why the final cost was different than the approved estimate. The City will not be liable to pay amounts in excess of the written estimate unless such amounts are expressly agreed to by the requesting agency

12.2 The City requires properly completed invoices from the contractor before making payment.

12.3 The City reserves the right to request that the contractor provide the City with a complete copy of any price list for parts/supplies/materials billed by the contractor to service this contract. The price list(s) provided may be used by the City to verify the accuracy of any invoice.

12.4 The City further reserves the right to audit the contractor's records at any time during or up to three years after the expiration of the contract to verify that the contractor accurately billed the City per terms of this contract.

12.5 Any overcharges by the contractor identified by the City must be refunded immediately to the City, or they will be withheld by the City from invoices due. The City further reserved the right to hold a contractor in default of contract for repeated instances of wrongfully billing the City for amounts higher than the contractor's net price plus the percentage markup bid.

13. ADDITIONAL ITEMS/SERVICES

The City reserves the right to negotiate with the contractor additional related items or services that are needed by the City and include them in this contract. An example would be the purchase of parts to be used directly by the City. Prices shall be either as at the contractor's net price plus markup per Section 4.2 or negotiated and approved by the City prior to ordering the related item(s) or service(s). Additional items or services can only be ordered through a valid City of Rochester purchase order. Items or services not covered by a prior authorizing purchase order will not be paid for by the City.

14. POLITICAL SUBDIVISIONS

Bidders should note that other political subdivisions may participate in the contract resulting from this bid award as authorized by General Municipal Law. Bidders must in particular offer the complete terms and conditions of this contract to the Rochester City School District if requested. Use of this contract by any other political subdivision must be coordinated between that subdivision and the contractor. The City will have no responsibility for any such purchases and will have no role other than to provide other political subdivisions with a copy of this contract if requested.

15. NON-COLLUSIVE BIDDING CERTIFICATION

By submission of this bid, each bidder and each person signing on behalf of any bidder certifies, and in the case of a joint bid each party certifies as to its own organization, under penalty of perjury, that to the best of its knowledge and belief:

15.1 The prices in this bid have been arrived at independently without collusion, consultation, communication, or agreement for the purpose of restricting competition, as to any matter relating to such prices with any other bidder or with any competitor.

15.2 Unless otherwise required by law, the prices which have been quoted in this bid have not knowingly been disclosed by the bidder and will not knowingly be disclosed prior to the bid opening, directly or indirectly, to any other bidder or to any competitor.

15.3 No attempt has been or will be made by the bidder to induce any other person, partnership, or corporation to submit or not to submit a bid for the purpose of restricting competition.

GENERAL CONDITIONS AND INSTRUCTIONS TO BIDDERS

(Vendor: The general rules and conditions which follow apply to all purchases and become a definite part of each formal invitation to bid, purchase order or other award issued by the City Purchasing Agent, unless otherwise specified. Bidders or their authorized representative are expected to fully inform themselves as to the conditions, requirements and specifications before submitting bids. Failure to do so will be at the bidder's own risk and he cannot secure relief on the plea of error.)

Subject to applicable Federal, State and Local laws, ordinances, rules, regulations and limitations, bids on all advertisements and invitations issued by the Department of Finance, Purchasing Bureau will bind bidders to applicable conditions and requirements herein set forth unless otherwise specified in the Invitation to Bid.

CONDITIONS OF BIDDING

1. **Proposal Forms:** Bids shall be submitted only on the forms provided by the City. The bidder shall retain one copy for his files and submit two (2) copies signed and sealed in the envelope provided by the City for that purpose. When using an envelope other than the one provided by the City, the following required information must be entered in the lower left corner on the face of the envelope: Bid Number, Bid Title, Bid Open Date and Time, and Submitted By. The envelope must be mailed or hand delivered to the Office of the Purchasing Agent, City Hall, Room 105A, 30 Church St., Rochester, NY 14614.
2. **Late Bids:** Formal bids, amendments thereto, or requests for withdrawal of bids received by the City after time specified for bid opening will not be considered.
3. **Withdrawal of Bids:** A written request for the withdrawal of a bid or any part thereof may be granted if the request is received by the City prior to the specified time of opening.
4. **Mailing of Bids:** Bids which are to be publicly opened will have attached a special mailing envelope which must be used by bidders in presenting such bids. In the event that the bid contains bulky subject material, the special mailing envelope must be firmly affixed to any other wrapper being used. Bids not received in the actual office of the Purchasing Agent at the time established for bid opening will not be considered, even if mailed earlier.
5. **Completeness:** All information required by Invitation to Bid must be supplied to constitute a proper bid.
6. **Bids Binding 45 Days:** Unless otherwise specified, all formal bids submitted shall be binding for forty-five (45) days following bid opening date unless the bidder(s), upon request of the Purchasing Agent, agrees to an extension.
7. **Conditional Bids:** Qualified bids are subject to rejection in whole or in part.
8. **Payment Terms:** Prompt payment discounts allowing less than thirty (30) days for discount to apply shall not be considered as a cost factor in the evaluation of bids. In connection with any prompt payment discount offered, time will be computed from the date of receipt of correct invoice or receipt and acceptance of shipment, whichever is later.
9. **Bids for All or Part:** Unless otherwise specified by the City or by the bidder, the Purchasing Agent reserves the right to make award on all items, or on any of the items according to the best interests of the City. The Purchasing Agent shall further have the right to award separate items or groups to different vendors. Bidder may restrict his bid to consideration in the aggregate by so stating, but should name a unit price on each item bid upon; any bid in which the bidder names a total price of all the articles without quoting a price on each and every separate item may be rejected at the option of the City.

10. **Errors in Bids:** When an error is made in extending total prices, the unit bid price will govern. Carelessness in quoting prices, or in preparation of bid otherwise, will not relieve the bidder. Erasures or changes in bids should be initialed.
11. **Questions Re: Specifications:** Except for Public Works, any information relative to interpretation of specifications and drawings shall be requested of the Purchasing Agent, in writing, in ample time before the opening of bids.

DO NOT MAKE INQUIRES BY PHONE OR IN PERSON.

No inquiries, if received within five (5) days of the date set for the opening of bids, will be given any consideration. Any interpretation made to prospective bidders will be expressed in the form of an addendum to the specifications which, if issued, will be sent by ordinary or certified mail, at the City's option, to all prospective bidders no later than three (3) days before the date set for opening of bids. Oral answers will not be binding on the City.

12. **Response to Invitations:** In the event you cannot submit a bid on our requirements, as set forth in the "Invitation, Bid, and Agreement" attached hereto, please return the Invitation, Bid and Contract form with an explanation as to why you are unable to bid on these requirements. (Because of the large number of firms listed on the City's qualified lists of Bidders, it is necessary to delete from these lists the names of those persons, firms or corporation who fail to respond after having been invited to bid on a commodity or commodities for three successive bid openings). City reserves the right to delete.
13. **Multiple Bids:** No bidder will be allowed to offer more than one price on each item even though he may feel that he has two or more types or styles that will meet specifications. Bidders must determine for themselves which to offer. IF THE BIDDER SHOULD SUBMIT MORE THAN ONE PRICE ON ANY ITEM, ALL PRICES FOR THAT ITEM MAY BE REJECTED AT THE DISCRETION OF THE CITY PURCHASING AGENT.
14. **Taxes:** The City of Rochester is exempt from State and Local sales and use taxes under Certificate No. AC 946 and is exempt from paying Federal excise taxes.
15. **Catalogs:** Each bidder shall submit in duplicate where necessary or when requested by the Purchasing Agent, catalogs, descriptive literature, and detailed drawings, fully detailing features, designs, construction, finishes and the like necessary to fully describe the material or work he proposes to furnish.
16. **Competency of Bidder:** No proposal will be accepted from or contract awarded to any person, firm or corporation that is in arrears or is in default to the City upon any debt or contract, or that is a defaulter, as surety or otherwise, upon any obligation to said City or had failed to perform faithfully within the prior three (3) years of any contract with the City. The bidder must present within 48 hours of a request evidence satisfactory to the Purchasing Agent of performance ability and possession of necessary facilities, pecuniary resources and adequate insurance to comply with the terms of these specifications and contract documents.

BID DEPOSIT

17. **Bid Bond, Cash, Certified or Cashier's Check:** When required, each bid shall be accompanied by a bid bond signed by a surety company authorized to do business in the State of New York, or by a cashier's check, certified business check, Treasurer's check or other direct obligation drawn on a responsible bank doing business in the United States, and shall be made payable to the City of Rochester, unless the bidder has on file with the Purchasing Agent an annual bid bond approved by the City with an uncommitted balance equal to the certified check requirements. When computing amount of Bid for Certified Check purposes, do NOT deduct for trade-ins. U.S. Postal Money Orders are acceptable in lieu of certified checks.
18. **Annual Bid Bonds:** Bidders who regularly do business with the City shall be permitted to file with the Purchasing Bureau an annual bid bond in the amount specified below. Such annual bonds shall be acceptable as surety in lieu of the furnishing of surety with each individual transaction.

Annual bid bonds shall be in an amount as determined by the bidder, of no less than Three Thousand Five Hundred Dollars (\$3,500.00). If at any time, the requirements of a specific bid invitation exceed the amount of the annual bid bond, or should the aggregate amount of the bid security requirements on all unresolved bids submitted by your firm exceed the amount of the annual bid bond, additional surety will be required in the appropriate sum.

19. **Performance Bond:** The successful bidder or bidders on this bid must furnish a performance bond as indicated on the bid cover, made out to the City of Rochester, prepared on an approved form or on a form supplied by an approved surety, as security for the faithful performance of his contract, within ten (10) days of his notification that his bid has been accepted. The surety thereon must be such surety company or companies as are authorized and licensed to transact business in the State of New York. Attorneys in fact who sign bid bonds must file with each bond a certified copy of their power of attorney to sign said bonds.

The successful bidder or bidders, upon failure or refusal to furnish within ten (10) days after his notification the required performance bond, shall forfeit to the City of Rochester as liquidated damages their bid deposit. At its option, the City shall have the right to accept cash, certified checks, letters of credit or such other security as the City deems appropriate in satisfaction of the foregoing bond requirements.

20. **Samples:** The samples submitted by bidders on items which they have received an award may be retained by the City until the delivery of contracted items is completed and accepted. Bidders whose samples are retained may remove them after delivery is accepted. Bidders who are not awarded a bid must remove their samples as soon as possible after award has been made on the item or items for which the samples had been submitted. The City will not be responsible for such samples if not removed by the bidder within thirty (30) days after the award has been made.

Bidders shall make all arrangements for delivery of samples to place designated by the City as well as the removal of samples. Cost of delivery and removal of samples shall be borne by the bidder. All samples packages should be marked "Samples for Purchasing Bureau" and each sample should bear the name of the bidder, item number, bid number, and shall be carefully tagged or marked in a substantial manner. Failure of the bidder to clearly identify samples as indicated may be considered sufficient reason for rejection of bid, and in such cases the City will not be liable for the loss of samples.

SPECIFICATIONS

21. **Trade Names:** In cases where an item is identified by a manufacturer's name, trade name, catalog number or reference, it is understood that the bidder proposes to furnish the item so identified and does not propose to furnish an "equal" unless the proposed "equal" is definitely indicated therein by the bidder.

The reference to a name brand is intended to be descriptive but not restrictive and only to indicate to the prospective bidder articles that will be satisfactory. Bids on other makes and catalogs will be considered, provided each bidder clearly states on the face of his proposal exactly what he proposes to furnish, and forwards with his bid a cut, illustration, or other descriptive matter which will clearly indicate the character of the article covered by the bid.

The Purchasing Agent hereby reserves the right to approve as an equal, or to reject as not being equal, any article the bidder proposes to furnish which contains major or minor variations from specification requirements but may comply substantially therewith.

If no particular brand, model, or make is specified, and if no data are required to be submitted with the bid, the successful contractor, after award and before manufacture or shipment, may be required to submit working drawings or detailed descriptive data sufficient to enable the Purchasing Agent to judge if each requirement of the specifications is being complied with.

22. **Formal Specifications:** The Bidder shall abide by and comply with the true intent of the specifications and not take advantage of any unintentional error or omission, but shall fully complete every part as the true intent and meaning of the specifications and drawings. Whenever herein mention is made of any article, material, or workmanship to be in accordance with laws, ordinances, building codes, underwriter's codes, A.S.T.M. standards, or similar expressions, the requirements of these laws, ordinances, etc. shall be construed as the minimum requirements of these specifications.

AWARD

23. **Award or Rejection of Bids:** The contract will be awarded to the lowest possible and responsive bidder complying with the provisions of the Invitation, provided the bid price is reasonable and it is to the interest of the City to accept it. The Purchasing Agent reserves the right to reject any or all bids and to waive any informality in bids received whenever such rejection or waiver is in the interest of the City. The Purchasing Agent also reserves the right to reject the bid of a bidder who has previously failed to perform properly or complete on time contracts of a similar nature, or a bid of a bidder where investigation shows the bidder is not in a position to perform the contract.

In determining responsibility, the following other qualifications, in addition to price, will be considered by the Purchasing Agent:

- a) The ability, capacity and skill of the bidder to perform the service required within the specified time.
- b) The character, integrity, reputation, judgment, experience and efficiency of the bidder.
- c) The quality of performance of previous contracts or services.
- d) The previous and existing compliance by the bidder with laws and ordinances relating to previous contracts with the City and to the bidder's employment practices.
- e) The sufficiency of the final resources and ability of the bidder to perform the contract or provide services.
- f) The quality, availability and adaptability of the supplies or contractual services to the particular use required.
- g) The ability of the bidder to provide future maintenance and service for the use of the subject of the contract.
- h) Whether the bidder is in arrears to the City, in debt on contract, is a defaulter on surety to the City, or whether the bidder's taxes or assessments are delinquent.
- i) Such other information as may be secured by the Purchasing Agent having a bearing on the decision to make the award.

In determining a bidder's responsiveness, the Purchasing Agent shall consider material deviations from the advertised specifications which materially affect price, quantity, quality or limit the bidder's liability.

24. **Notice of Acceptance:** A written award (or Acceptance of Bid) mailed (or otherwise furnished) to the successful Bidder within the time for acceptance specified in the Invitation to Bid shall be deemed to result in a binding contract without further action by either party.
25. **Tie Bids:** If two or more bidders submit identical bids and are equally qualified, the decision of the City to make award to one or more of such bidders shall be final. Selection may be made by drawing lots.
26. **Resident Bidders - Preference:** Price and other factors being equal, preference may be given first to resident bidders of the City, except when in the judgment of the City such purchases would operate to the disadvantage of the City, and selection by drawing lots shall not apply where the tie bids are between a resident and non-resident bidder.
27. **Specific Bid Quantities:** Where quantities are specifically stated, acceptance will bind the City to order quantities specified and to pay for at contract prices all such supplies or services delivered that meet specifications and conditions of the contract. However, the City will not be required to accept delivery of any unorderd balances as of the contract expiration date unless the contractor furnishes the Purchasing Agent with a statement of unorderd balances not later than ten (10) days after the termination date of the contract.
28. **Requirements Bid Quantities:** On "Requirements" bids, acceptance will bind the City to pay for, at unit bid prices, only quantities ordered and delivered.

29. **Availability of Funds:** The City shall be obligated to pay for goods and services received only to the extent that money has been appropriated and encumbered for such purpose. The contractor in turn shall be obligated to perform only so long as money is available to pay for the goods and services it supplies. If this contract extends through one fiscal year of the City into the next year, the City's obligations hereunder shall be specifically limited to and shall be conditioned upon the appropriations for such following year.
30. **Contract Alterations:** The contractual terms, conditions and provisions of this contract, including all general conditions and instructions to bidders, shall not be modified by the bidder. The Purchasing Agent shall have the right, at his option, to treat any bid submitted with additional or differing contract provisions as informal or to ignore such additional provisions and to award as if such additional provisions had not been submitted by the bidder. This section shall not apply if the request for bids or the specifications specifically invite the bidder to submit additional or modifying provisions, but only to the extent that such additional or modifying provisions are requested by and are acceptable to the Purchasing Agent. Where the bidder submits a bid for goods or services which vary from the City's specifications, the decision of the Purchasing Agent of whether such goods or services are functionally equivalent to the goods or services requested by the City shall be final. Alterations or changes in the specifications of the goods or services furnished under this contract can only be made upon the written authorization signed by the Purchasing Agent, and any other alteration or modification that is not signed by the Purchasing Agent or his designated representative shall be void. Alterations in contract language shall further require the approval of the City Department of Law.
31. **Term of Contract:** This contract shall remain in force for the period specified unless extended by mutual consent of both parties or terminated as provided herein.
32. **Termination of Contracts:** Contracts shall remain in force for full periods specified and until all articles ordered before date of termination shall have been satisfactorily delivered and accepted and thereafter until all requirements and conditions shall have been met, unless:
- a) terminated prior to expiration date by satisfactory deliveries of entire contract requirements.
 - b) extended upon written authorization of the Purchasing Agent and accepted by contractor, to permit ordering of unordered balances or additional quantities at contract prices and in accordance with contract terms.
33. **Subletting of Contract:** It is mutually understood and agreed that the Contractor shall not assign, transfer, convey, sublet or otherwise dispose of his contract or his right, title or interest therein, or his power to execute such contract, to any other person, firm or corporation without the previous written consent of the City Purchasing Agent, but in no case shall such consent relieve the Contractor from his obligations, or change the terms of the contract.
34. **Default:** The contract may be cancelled or annulled by the Purchasing Agent in whole or in part by written notice of default to the Contractor upon non-performance or violation of contract terms. An award may be made to next low bidder, or, articles specified may be purchased on the open market similar to those so terminated. In either event, the defaulting Contractor (or his surety) shall be liable to the City for costs to the City in excess of the defaulted contract prices. Provided, that the contractor shall continue the performance of this contract to the extent not terminated under the provisions of this clause. Failure of the contractor to deliver materials or services within the time stipulated on his bid, unless extended in writing by the Purchasing Agent, shall constitute contract default.
35. **Delivery Failures:** Failure of a Contractor to deliver within the time specified, or within reasonable time as interpreted by the Purchasing Agent, or failure to make replacements of rejected articles when so requested, immediately or as directed by the Purchasing Agent, shall constitute authority for the Purchasing Agent to purchase in the open market articles of comparable grade to replace the articles rejected or not delivered. On all such purchases, the Contractor shall reimburse the City within a reasonable time specified by the Purchasing Agent, for any expense incurred in excess of contract prices or the City shall have the right to deduct such amount from monies owed the defaulting Contractor. Such purchases shall be deducted from contract quantities. Should public necessity demand it, the City reserves the right to use or consume articles delivered which are substandard in quality, subject to an adjustment in price to be determined by the Purchasing Agent.
36. **Non-Liability:** The Contractor shall not be liable in damages for delay in shipment or failure to deliver when such delay or failure is the result of fire, flood, strike, act of God, act of government, act of an alien enemy or by any other circumstances which, in the Purchasing Agent's opinion, is beyond the control of the contractor. Under such circumstances, however, the Purchasing Agent may at his discretion, cancel the contract.
