ART SUPPLIES

1. SCOPE

The City of Rochester requests bids for Art Supplies for use by the Department of Recreation and Youth Services (DRYS), the City Library, and other departments. The primary intended use of this contract is for a program for painting murals on exterior walls during a summer program. However, the City may use this contract for other art projects offered by the departments. Therefore, although this bid is based on specific items, discounts off of related items are requested to provide the flexibility desired to purchase a range of art supplies to be used under the various programs

2. REFERENCE

For purposes of this Bid Invitation, specific products are identified in the Proposal. In their Proposal, bidders should identify the specific brand, manufacturer/catalog and catalog or web site number, so that the City can verify the product offered. The City's preference is for bidders to reference their own web site number, or, if that is not possible, industry standard catalogs.

3. ALTERNATES

- 3.1 Bidders may offer alternates where brand names are specified in the Proposal if:
- 3.1.1 The alternates proposed are equivalent to the specified item(s) in terms of quality, durability and availability, and if the company's web site or referenced catalog contains an equivalent range of related products in the Group specified.
 - 3.1.2 Exceptions are listed separately, item-by-item; and
 - 3.1.3 A means of cross-referencing each item specified to the bidder's web site/catalog is provided by the bidder.
- 3.2 If bidding an alternate, bidders must furnish access to the web site/catalog that they are proposing with their bid, which provides sufficient technical information for the City to determine equivalence per Section 3.1.1
- 3.3 The City of Rochester reserves the right to determine, in its sole discretion, whether or not an alternate is equivalent for purposes of meeting the requirements of this specification.

4. CATALOGS & PRICE LISTS

- 4.1 Bidders must submit, along with their bid, either two (2) copies of the current catalog(s) and price list they are offering per Group, or access to their web-site that includes pricing information and product descriptions for each Group. Upon request, the contractor shall assist the using agency in the use of the catalog(s) or web sites to determine price.
- 4.2 The City's preference is for the bidder to reference their web site where the City may place its orders. If the web site information is provided, the bid must clearly show how the City will derive its price from the web site. For example, if the web-site price is \$1.00 but the price on the Proposal is \$.90, this represents a 10%

ART SUPPLIES

discount to the City for purchase of items in the Group. This should be consistent with the discount offered for similar items in the Group. If the bidder does not intend to offer all items in the Group the same discount, the bidder must note that on their Proposal. If the City is not able to readily determine what its pricing will be for items that the City will purchase, the City reserves the right to reject a bid as being non-responsive.

5. METHOD OF AWARD

- 5.1 The City prefers to award a single contract to the responsive and responsible bidder based upon the Total Bid Price All Groups. However, the City reserves the right to award on a Group basis if doing so results in lower costs to the City after factoring in the cost of making multiple awards.
- 5.2 Award will be for the items listed in the Proposal and the corresponding discounts offered per Group.
- 5.3 The City reserves the right to reject any bid where prices or discounts offered are imbalanced or not consistent with the marketplace.

6. CONTRACT TERM

- 6.1 The term of the contract resulting from this Bid Invitation shall commence on date of award and end March 31, 2017.
- 6.2 The City may extend the contract under the same terms and conditions for up to two (2) periods of one (1) year or less provided such extension is mutually agreeable to both the City and the contractor.

7. ORDERING AND DELIVERY

- 7.1 It is the preference of the City to contract with a company located within a ten (10) mile radius of City Hall, 30 Church Street, Rochester New York, so that the City can obtain over-the-counter service when needed. Bidders outside this area must be able to provide delivery of requested items within the delivery times in Section 7.2 at the prices offered in the Proposal.
- 7.2 All deliveries made hereunder shall be FOB Destination. With the exception of items picked up by the City, deliveries shall be completed within five (5) days after receipt of order for in-stock items and within fifteen (15) days for all other items.
- 7.3 Each bidder must indicate in the Proposal which item(s) they do not routinely carry in stock. The City reserves the right to reject a bid where the bidder does not carry their own inventory of stock sufficient to ship/deliver the majority of the items listed in the Proposal.
- 7.4 In the event the contractor fails to deliver within the time specified, the City reserves the right to purchase functionally equivalent items in the open market and charge any excess (above bid) costs to the delinquent contractor. Recovery

ART SUPPLIES

of such costs may be accomplished via deducting such amounts from monies due the contractor.

- 7.5 The City prefers to place orders electronically once an authorizing purchase order has been issued. The City will work with the contractor to set up an electronic ordering process where possible.

8. ESTIMATE OF VOLUME/QUANTITIES

- 8.1 The City cannot estimate the amount of purchases to be made from this contract. Quantities shown on the Proposal are the City's best estimate at this time for items to be ordered for the summer of 2016. However, actual quantities may be substantially more or less than shown on the Proposal. All items shall be as ordered through a purchase order.
- 8.2 In signing this bid, the bidder acknowledges the City of Rochester has made no guarantee as to actual quantity or dollar value of this contract other than anticipating meeting the requirements as set forth in Section 8.1.
- 8.3 The City reserves the right to request bids separately from this contract for large volume quantities of supplies, if the need for such supplies arises. However, the City does not anticipate that need at this time.

9. QUALIFICATION OF BIDDER

It shall be the bidder's responsibility to prove to the satisfaction of the City its ability to properly service the needs of this contract, including size of inventory, delivery time, etc. By submitting a bid, the bidder acknowledges and accepts that the bidder will provide information requested by the City, such as but not limited to references, financial stability, number and types of customers, etc. The City reserves the right to reject any bidder who, in the opinion of the Purchasing Agent, cannot properly service this contract.

10. PRICE ESCALATION/DEESCALATION

- 10.1 Bidders shall quote the discount which will apply to the specified catalog and/or their web site for the various Groups listed in the Proposal. In cases where more than one pricing column is shown in the manufacturers/ distributor's price lists, bidders shall indicate which pricing column applies. Item prices quoted in this bid will be valid for at least six (6) months after award. After six (6) months item prices may change based upon web site or catalog changes, however, the discount offered from prices shown shall remain the same during the term of the contract and any extensions. The City's options with regard to price changes after the first six months are:

- 10.1.1 Accept new manufacturers/distributors price, catalog and/or web site changes as submitted, applying the same discount structure as originally bid, or
- 10.1.2 In the event new prices are not acceptable to the City, the contractor shall be given the opportunity to either honor the prices initially bid or withdraw from the contract after sixty (60) days written notice to the Purchasing Agent of the intent to withdraw.

11. MATERIAL SAFETY DATA SHEET (MSDS)

In order to comply with the federal OSHA Hazard Communication Standard (HCS), the New York State Public Employee Safety and Health Act (PESHA), and the New York State Right-to-Know (RTK) Law, the City of Rochester must have a Material Safety Data Sheet (MSDS) on file at point-of-use for all hazardous chemicals. The RTK Law requires that all OSHA Subpart Z chemicals and any chemical listed in the National Institute of Occupational Safety and Health (NIOSH) Registry of Toxic Effects of Chemical Substances be designated "hazardous." Therefore:

- 11.1 Fully completed MSDS(s) must be submitted with all bids, or the website where such sheets can be downloaded must be identified in this proposal.
 - 11.1.1 Any bid submitted without the required MSDS(s) will be subject to rejection.
- 11.2 Every shipment of a hazardous chemical to the City of Rochester must be accompanied by a fully completed MSDS.
- 11.3 At any time during the term of this contract, the contractor will supply a fully completed MSDS for any material in this contract upon request of any using department.
- 11.4 Failure to comply with the requirements of parts 2 or 3 of this section may result in retention of payment until the appropriate MSDS is received.

12. INVOICES AND PAYMENT

- 12.1 Orders will be placed only by authorized City employees. Generally orders will be faxed or e-mailed to the contractor. Orders will be placed by the DRYS central store-room or by individual agencies/locations. The City of Rochester will require that invoices submitted for payment be billed to represent each facility's order. Combined billing will not be accepted.
- 12.2 Payment will be based on any invoice used in the contractor's normal course of business. However, payment will not be made unless the invoice is clearly legible, and contains at a minimum all of the following information:
 - 12.2.1 Accurate item description
 - 12.2.2 Catalog number of the item
 - 12.2.3 Quantity
 - 12.2.4 Unit price per item
 - 12.2.5 Net total cost to the City, after discount

14. CERTIFICATION OF COMPLIANCE WITH THE IRAN DIVESTMENT ACT

14.1 The contract resulting from this bid shall be subject to the requirements of the Iran Divestment Act of 2012 (the "Act"), Chapter 1 of the 2012 Laws of New York, State Finance Law (SFL) § 165-a and New York General Municipal Law § 105-g both effective April 12, 2012. Under the Act, the Commissioner of the Office of General Services (OGS) is responsible for developing a list of "persons" who are engaged in "investment activities in Iran" (both are defined terms in the law) (the "Prohibited Entities List"). <http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf>.

14.2 CERTIFICATION. "By submission of this bid, each bidder and each person signing on behalf of any bidder certifies, and in the case of a joint bid each party thereto certifies as to its own organization, under penalty of perjury, that to the best of its knowledge and belief that each bidder is not on the list created pursuant to paragraph (b) of subdivision 3 of section 165-a of the State Finance Law."

14.3 Any bidder/contractor seeking to renew or extend this contract or assume the responsibility of the contract awarded in response to this bid solicitation must certify at the time the contract is renewed, extended or assigned that it is not included on the Prohibited Entities List.

14.4 During the term of the contract or any extension, should the City receive information that the contractor is in violation of the above-referenced certification, the City will offer the person or entity an opportunity to respond. If the person or entity fails to demonstrate that he/she/it has ceased engagement in the investment which is in violation of the Act

within 90 days after the determination of such violation, then the City shall take such action as may be appropriate including, but not limited to, imposing sanctions, seeking compliance, recovering damages or declaring the contractor in default.

- 14.5 The City reserves the right to reject any bid or request for assignment for a bidder/contractor that appears on the Prohibited Entities List prior to the award of a contract and to pursue a responsibility review with respect to any bidder/contractor that is awarded a contract and subsequently appears on the Prohibited Entities List.

15. POLITICAL SUBDIVISIONS

Bidders should note that other political subdivisions, with which the City has entered into municipal cooperation agreements, may participate in the contract resulting from this bid award. Use of this contract by any other political subdivision must be coordinated between that subdivision and the contractor. The City will have no responsibility for any such purchases and will have no other role than to notify the other political subdivisions that this contract is available to them for purchases.

16. NON-SPECIFIED ITEMS

The City reserves the right to add additional items and related groups to this contract that fall into the category of art supplies. If requested, the contractor may provide item prices and/or catalog/web site discounts, subject to negotiation with the City. Upon mutual agreement of both parties, the additional items/groups may be added to the contract. However, no items/groups will be added without the express written authorization of the Purchasing Agent. Any item delivered to the City that has not been expressly authorized will not be paid for by the City.

17. NON-COLLUSIVE BIDDING CERTIFICATION

By submission of this bid, each bidder and each person signing on behalf of any bidder certifies, and in the case of a joint bid each party certifies as to its own organization, under penalty of perjury, that to the best of knowledge and belief:

- 17.1 The prices in this bid have been arrived at independently without collusion, consultation, communication, or agreement, for the purpose of restricting competition, as to any matter relating to such prices with any other bidder or with any competitor;
- 17.2 Unless otherwise required by law, the prices which have been quoted in this bid have not been knowingly disclosed by the bidder and will not knowingly be disclosed prior to the opening, directly or indirectly, to any other bidder or to any competitor;
- 17.3 No attempt has been or will be made by the bidder to induce any other person, partnership or corporation to submit or not to submit a bid for the purpose of restricting competition.

CONDITIONS OF BIDDING

1. **Proposal Forms:** Bids shall be submitted only on the forms provided by the City. The bidder shall retain one copy for his files and submit two (2) copies signed and sealed in the envelope provided by the City for that purpose. When using an envelope other than the one provided by the City, the following required information must be entered in the lower left corner on the face of the envelope: Bid Number, Bid Title, Bid Open Date and Time, and Submitted By. The envelope must be mailed or hand delivered to the Office of the Purchasing Agent, City Hall, Room 105A, 30 Church St., Rochester, NY 14614.
2. **Late Bids:** Formal bids, amendments thereto, or requests for withdrawal of bids received by the City after time specified for bid opening will not be considered.
3. **Withdrawal of Bids:** A written request for the withdrawal of a bid or any part thereof may be granted if the request is received by the City prior to the specified time of opening.
4. **Mailing of Bids:** Bids which are to be publicly opened will have attached a special mailing envelope which must be used by bidders in presenting such bids. In the event that the bid contains bulky subject material, the special mailing envelope must be firmly affixed to any other wrapper being used. Bids not received in the actual office of the Purchasing Agent at the time established for bid opening will not be considered, even if mailed earlier.
5. **Completeness:** All information required by Invitation to Bid must be supplied to constitute a proper bid.
6. **Bids Binding 45 Days:** Unless otherwise specified, all formal bids submitted shall be binding for forty-five (45) days following bid opening date unless the bidder(s), upon request of the Purchasing Agent, agrees to an extension.
7. **Conditional Bids:** Qualified bids are subject to rejection in whole or in part.
8. **Payment Terms:** Prompt payment discounts allowing less than thirty (30) days for discount to apply shall not be considered as a cost factor in the evaluation of bids. In connection with any

prompt payment discount offered, time will be computed from the date of receipt of correct invoice or receipt and acceptance of shipment, whichever is later.

9. **Bids for All or Part:** Unless otherwise specified by the City or by the bidder, the Purchasing Agent reserves the right to make award on all items, or on any of the items according to the best interests of the City. The Purchasing Agent shall further have the right to award separate items or groups to different vendors. Bidder may restrict his bid to consideration in the aggregate by so stating, but should name a unit price on each item bid upon; any bid in which the bidder names a total price of all the articles without quoting a price on each and every separate item may be rejected at the option of the City.
10. **Errors in Bids:** When an error is made in extending total prices, the unit bid price will govern. Carelessness in quoting prices, or in preparation of bid otherwise, will not relieve the bidder. Erasures or changes in bids should be initialed.
11. **Questions Re: Specifications:** Except for Public Works, any information relative to interpretation of specifications and drawings shall be requested of the Purchasing Agent, in writing, in ample time before the opening of bids.

DO NOT MAKE INQUIRES BY PHONE OR IN PERSON.

No inquiries, if received within five (5) days of the date set for the opening of bids, will be given any consideration. Any interpretation made to prospective bidders will be expressed in the form of an addendum to the specifications which, if issued, will be sent by ordinary or certified mail, at the City's option, to all prospective bidders no later than three (3) days before the date set for opening of bids. Oral answers will not be binding on the City.

12. **Response to Invitations:** In the event you cannot submit a bid on our requirements, as set forth in the "Invitation, Bid, and Agreement" attached hereto, please return the Invitation, Bid and Contract form with an explanation as to why you are unable to bid on these requirements. (Because of the large number of firms listed on the City's qualified lists of Bidders, it is necessary to delete from these lists the names of those persons, firms or corporation who fail to respond after having been invited to bid on a commodity or commodities for three successive bid openings). City reserves the right to delete.
13. **Multiple Bids:** No bidder will be allowed to offer more than one price on each item even though he may feel that he has two or more types or styles that will meet specifications. Bidders must determine for themselves which to offer. IF THE BIDDER SHOULD SUBMIT MORE THAN ONE PRICE ON ANY ITEM, ALL PRICES FOR THAT ITEM MAY BE REJECTED AT THE DISCRETION OF THE CITY PURCHASING AGENT.
14. **Taxes:** The City of Rochester is exempt from State and Local sales and use taxes under Certificate No. AC 946 and is exempt from paying Federal excise taxes.
15. **Catalogs:** Each bidder shall submit in duplicate where necessary or when requested by the Purchasing Agent, catalogs, descriptive literature, and detailed drawings, fully detailing features, designs, construction, finishes and the like necessary to fully describe the material or work he proposes to furnish.
16. **Competency of Bidder:** No proposal will be accepted from or contract awarded to any person, firm or corporation that is in arrears or is in default to the City upon any debt or contract, or that is a defaulter, as surety or otherwise, upon any obligation to said City or had failed to perform faithfully within the prior three (3) years of any contract with the City. The bidder must present within 48 hours of a request evidence satisfactory to the Purchasing Agent of performance ability

and possession of necessary facilities, pecuniary resources and adequate insurance to comply with the terms of these specifications and contract documents.

BID DEPOSIT

17. **Bid Bond, Cash, Certified or Cashier's Check:** When required, each bid shall be accompanied by a bid bond signed by a surety company authorized to do business in the State of New York, or by a cashier's check, certified business check, Treasurer's check or other direct obligation drawn on a responsible bank doing business in the United States, and shall be made payable to the City of Rochester, unless the bidder has on file with the Purchasing Agent an annual bid bond approved by the City with an uncommitted balance equal to the certified check requirements. When computing amount of Bid for Certified Check purposes, do NOT deduct for trade-ins. U.S. Postal Money Orders are acceptable in lieu of certified checks.

18. **Annual Bid Bonds:** Bidders who regularly do business with the City shall be permitted to file with the Purchasing Bureau an annual bid bond in the amount specified below. Such annual bonds shall be acceptable as surety in lieu of the furnishing of surety with each individual transaction.

Annual bid bonds shall be in an amount as determined by the bidder, of no less than Three Thousand Five Hundred Dollars (\$3,500.00). If at any time the requirements of a specific bid invitation exceed the amount of the annual bid bond, or should the aggregate amount of the bid security requirements on all unresolved bids submitted by your firm exceed the amount of the annual bid bond, additional surety will be required in the appropriate sum.

19. **Performance Bond:** The successful bidder or bidders on this bid must furnish a performance bond as indicated on the bid cover made out to the City of Rochester, prepared on an approved form or on a form supplied by an approved surety, as security for the faithful performance of his contract, within ten (10) days of his notification that his bid has been accepted. The surety thereon must be such surety company or companies as are authorized and licensed to transact business in the State of New York. Attorneys in fact who sign bid bonds must file with each bond a certified copy of their power of attorney to sign said bonds.

The successful bidder or bidders, upon failure or refusal to furnish within ten (10) days after his notification the required performance bond, shall forfeit to the City of Rochester as liquidated damages their bid deposit. At its option, the City shall have the right to accept cash, certified checks, letters of credit or such other security as the City deems appropriate in satisfaction of the foregoing bond requirements.

20. **Samples:** The samples submitted by bidders on items which they have received an award may be retained by the City until the delivery of contracted items is completed and accepted. Bidders whose samples are retained may remove them after delivery is accepted. Bidders who are not awarded a bid must remove their samples as soon as possible after award has been made on the item or items for which the samples had been submitted. The City will not be responsible for such samples if not removed by the bidder within thirty (30) days after the award has been made.

Bidders shall make all arrangements for delivery of samples to place designated by the City as well as the removal of samples. Cost of delivery and removal of samples shall be borne by the bidder. All samples packages should be marked "Samples for Purchasing Bureau" and each sample should bear the name of the bidder, item number, bid number, and shall be carefully tagged or marked in a substantial manner. Failure of the bidder to clearly identify samples as indicated may be considered sufficient reason for rejection of bid, and in such cases the City will not be liable for the loss of samples.

SPECIFICATIONS

21. **Trade Names:** In cases where an item is identified by a manufacturer's name, trade name, catalog number or reference, it is understood that the bidder proposes to furnish the item so identified and does not propose to furnish an "equal" unless the proposed "equal" is definitely indicated therein by the bidder.

The reference to a name brand is intended to be descriptive but not restrictive and only to indicate to the prospective bidder articles that will be satisfactory. Bids on other makes and catalogs will be considered, provided each bidder clearly states on the face of his proposal exactly what he proposes to furnish, and forwards with his bid, a cut, illustration, or other descriptive matter which will clearly indicate the character of the article covered by the bid.

The Purchasing Agent hereby reserves the right to approve as an equal, or to reject as not being equal, any article the bidder proposes to furnish which contains major or minor variations from specification requirements but may comply substantially therewith.

If no particular brand, model, or make is specified, and if no data are required to be submitted with the bid, the successful contractor, after award and before manufacture or shipment, may be required to submit working drawings or detailed descriptive data sufficient to enable the Purchasing Agent to judge if each requirement of the specifications is being complied with.

22. **Formal Specifications:** The Bidder shall abide by and comply with the true intent of the specifications and not take advantage of any unintentional error or omission, but shall fully complete every part as the true intent and meaning of the specifications and drawings. Whenever herein mention is made of any article, material, or workmanship to be in accordance with laws, ordinances, building codes, underwriter's codes, A.S.T.M. standards, or similar expressions, the requirements of these laws, ordinances, etc. shall be construed as the minimum requirements of these specifications.

AWARD

23. **Award or Rejection of Bids:** The contract will be awarded to the lowest responsible and responsive bidder complying with the provisions of the Invitation, provided the bid price is reasonable and it is to the interest of the City to accept it. The Purchasing Agent reserves the right to reject any or all bids and to waive any informality in bids received whenever such rejection or waiver is in the interest of the City. The Purchasing Agent also reserves the right to reject the bid of a bidder who has previously failed to perform properly or complete on time contracts of a similar nature, or a bid of a bidder where investigation shows the bidder is not in a position to perform the contract.

In determining responsibility, the following other qualifications, in addition to price, will be considered by the Purchasing Agent:

- a) The ability, capacity and skill of the bidder to perform the service required within the specified time.
- b) The character, integrity, reputation, judgment, experience and efficiency of the bidder.
- c) The quality of performance of previous contracts or services.
- d) The previous and existing compliance by the bidder with laws and ordinances relating to previous contracts with the City and to the bidder's employment practices.

e) The sufficiency of the final resources and ability of the bidder to perform the contract or provide services.

f) The quality, availability and adaptability of the supplies or contractual services to the particular use required.

g) The ability of the bidder to provide future maintenance and service for the use of the subject of the contract.

h) Whether the bidder is in arrears to the City, in debt on contract, is a defaulter on surety to the City, or whether the bidder's taxes or assessments are delinquent.

l) Such other information as may be secured by the Purchasing Agent having a bearing on the decision to make the award.

In determining a bidder's responsiveness, the Purchasing Agent shall consider material deviations from the advertised specifications which materially affect price, quantity, quality or limit the bidder's liability.

24. **Notice of Acceptance:** A written award (or Acceptance of Bid) mailed (or otherwise furnished) to the successful Bidder within the time for acceptance specified in the Invitation to Bid shall be deemed to result in a binding contract without further action by either party.
25. **Tie Bids:** If two or more bidders submit identical bids and are equally qualified, the decision of the City to make award to one or more of such bidders shall be final. Selection may be made by drawing lots.
26. **Resident Bidders - Preference:** Price and other factors being equal, preference may be given first to resident bidders of the City, except when in the judgment of the City such purchases would operate to the disadvantage of the City, and selection by drawing lots shall not apply where the tie bids are between a resident and non-resident bidder.
27. **Specific Bid Quantities:** Where quantities are specifically stated, acceptance will bind the City to order quantities specified and to pay for at contract prices all such supplies or services delivered that meet specifications and conditions of the contract. However, the City will not be required to accept delivery of any unordered balances as of the contract expiration date unless the contractor furnishes the Purchasing Agent with a statement of unordered balances not later than ten (10) days after the termination date of the contract.
28. **Requirements Bid Quantities:** On "Requirements" bids, acceptance will bind the City to pay for, at unit bid prices, only quantities ordered and delivered.
29. **Availability of Funds:** The City shall be obligated to pay for goods and services received only to the extent that money has been appropriated and encumbered for such purpose. The contractor in turn shall be obligated to perform only so long as money is available to pay for the goods and services it supplies. If this contract extends through one fiscal year of the City into the next year, the City's obligations hereunder shall be specifically limited to and shall be conditioned upon the appropriations for such following year.
30. **Contract Alterations:** The contractual terms, conditions and provisions of this contract, including all general conditions and instructions to bidders, shall not be modified by the bidder. The Purchasing Agent shall have the right, at his option, to treat any bid submitted with additional or differing contract provisions as informal or to ignore such additional provisions and to award as if

such additional provisions had not been submitted by the bidder. This section shall not apply if the request for bids or the specifications specifically invite the bidder to submit additional or modifying provisions, but only to the extent that such additional or modifying provisions are requested by and are acceptable to the Purchasing Agent. Where the bidder submits a bid for goods or services which vary from the City's specifications, the decision of the Purchasing Agent of whether such goods or services are functionally equivalent to the goods or services requested by the City shall be final. Alterations or changes in the specifications of the goods or services furnished under this contract can only be made upon the written authorization signed by the Purchasing Agent, and any other alteration or modification that is not signed by the Purchasing Agent or his designated representative shall be void. Alterations in contract language shall further require the approval of the City Department of Law.

31. **Term of Contract:** This contract shall remain in force for the period specified unless extended by mutual consent of both parties or terminated as provided herein.
32. **Termination of Contracts:** Contracts shall remain in force for full periods specified and until all articles ordered before date of termination shall have been satisfactorily delivered and accepted and thereafter until all requirements and conditions shall have been met, unless:
 - a) terminated prior to expiration date by satisfactory deliveries of entire contract requirements.
 - b) extended upon written authorization of the Purchasing Agent and accepted by contractor, to permit ordering of unordered balances or additional quantities at contract prices and in accordance with contract terms.
33. **Subletting of Contract:** It is mutually understood and agreed that the Contractor shall not assign, transfer, convey, sublet or otherwise dispose of his contract or his right, title or interest therein, or his power to execute such contract, to any other person, firm or corporation without the previous written consent of the City Purchasing Agent, but in no case shall such consent relieve the Contractor from his obligations, or change the terms of the contract.
34. **Default:** The contract may be cancelled or annulled by the Purchasing Agent in whole or in part by written notice of default to the Contractor upon non-performance or violation of contract terms. An award may be made to next low bidder, or, articles specified may be purchased on the open market similar to those so terminated. In either event, the defaulting Contractor (or his surety) shall be liable to the City for costs to the City in excess of the defaulted contract prices. Provided, that the contractor shall continue the performance of this contract to the extent not terminated under the provisions of this clause. Failure of the contractor to deliver materials or services within the time stipulated on his bid, unless extended in writing by the Purchasing Agent, shall constitute contract default.
35. **Delivery Failures:** Failure of a Contractor to deliver within the time specified, or within reasonable time as interpreted by the Purchasing Agent, or failure to make replacements of rejected articles when so requested, immediately or as directed by the Purchasing Agent, shall constitute authority for the Purchasing Agent to purchase in the open market articles of comparable grade to replace the articles rejected or not delivered. On all such purchases, the Contractor shall reimburse the City within a reasonable time specified by the Purchasing Agent, for any expense incurred in excess of contract prices or the City shall have the right to deduct such amount from monies owed the defaulting Contractor. Such purchases shall be deducted from contract quantities. Should public necessity demand it, the City reserves the right to use or consume articles delivered which are substandard in quality, subject to an adjustment in price to be determined by the Purchasing Agent.

36. **Non-Liability:** The Contractor shall not be liable in damages for delay in shipment or failure to deliver when such delay or failure is the result of fire, flood, strike, act of God, act of government, act of an alien enemy or by any other circumstances which, in the Purchasing Agent's opinion, is beyond the control of the contractor. Under such circumstances, however, the Purchasing Agent may at his discretion, cancel the contract.

37. **New Goods, Fresh Stock:** All contracts, unless otherwise specifically stated, shall produce new commodities, fresh stock, latest model, design or pack.

38. **Equal Employment Opportunities:**

2) If the Contractor is found guilty of discrimination in employment on the grounds of race, color, sex, religion, age or national origin by any court or administrative agency that has jurisdiction pursuant to any State or Federal Equal Employment Opportunity Laws or regulations, such determination will be deemed to be a breach of contract, and this Agreement will be terminated in whole or part without any penalty or damages to the City on account of such cancellation or termination and the Contractor shall be disqualified from thereafter selling to, submitting bids to, or receiving awards of contract with the City of Rochester for goods, work, or services until such time as the Contractor can

These repairs, replacements or adjustments shall be made only at such time as will be designated by the City as least detrimental to the operation of City business.

61. **No Waiver:** In the event that the terms and conditions of this agreement are not strictly enforced by the City, such non-enforcement shall not act as or be deemed to act as a waiver or modification of this Agreement, nor shall such non-enforcement prevent the City from enforcing each and every term of this Agreement thereafter.

This policy is adopted pursuant to the City's Affirmative Action Plan, Article XV, Contract Compliance. The City does not discriminate on the basis of handicap status as defined in 31 CFR Part 51, in admission, access to, or treatment or employment in its programs or activities.
