## **WASTE OIL, AUTOMOTIVE/ANTI FREEZE- REMOVAL & RE-REFINING/RECYCLING**

### **1. SCOPE**

The City of Rochester, New York, intends to establish a contract for the removal, re-refining and/or recycling of surplus waste oil and waste anti-freeze located at various City locations.

### **2. SERVICE TIME**

- 2.1 Oil and/or anti-freeze shall be extracted and removed from City tanks or drums within three (3) working days after notification by the City, unless a different period is approved by the City.
- 2.2 In the event that the Contractor fails to meet the time period stated in Section 2.1 above, the City reserves the right to have the oil/anti-freeze removed by another vendor. Any and all additional costs or lost revenue to the City as a result must be paid by the Contractor. Repeated instances shall result in default of the contract.

### **3. GUARANTEES**

- 3.1 It is the intention of the City of Rochester to support environment clean-up and the re-use of fossil fuels by having its automotive waste oil re-refined as a consumer lubricant oil, or recycled and blended as a fuel oil.
- 3.2 Each bidder certifies that all extractions are done in a safe manner which conforms to all local, County, State of New York, and Federal laws currently in effect.
- 3.3 Each bidder certifies that at least 80% of all oil removed is re-refined to a reusable consumer lubricant oil product, or recycled/blended as fuel oils. Each bidder must include with the bid technical data describing what company will be doing the re-refining, the re-refining process, the re-refined products sold or used, and/or the blending procedures used to meet this requirement.
- 3.4 Upon request of the City and prior to the contract award, the apparent low bidder must provide a copy of the permit for the re-refining facility that meets state and federal requirements.
- 3.5 Prior to removal of any product from the City, the Contractor must provide the City with a signed certification that the Contractor accepts full responsibility for removing and disposing of the used oil and anti-freeze in compliance with all local, County, State and Federal laws.

**WASTE OIL, AUTOMOTIVE/ANTI FREEZE-  
REMOVAL & RE-REFINING/RECYCLING**

- 3.6 The Contractor further agrees to defend, indemnify and save harmless the City of Rochester against any and all liability, loss damage, detriment, suit, claim, demand, cost, charge, attorney's fees and expenses of whatever kind or nature which the City may directly or indirectly incur, suffer or be required to pay by reason or in consequence of the carrying out of any of the provisions or requirements of this contract, where such loss or expense is incurred directly or indirectly by the City, its employees, subcontractors or agents as a result of the negligent act or omission, breach, or fault of the Contractor, its employees, agents or subcontractors. Such defense and indemnification shall specifically include any claims against the City arising out of the improper transport or disposal of any hazardous materials or violations of any local, State or Federal laws, or regulations concerning the transport or disposal of hazardous materials. If a claim or action is made or brought against the City and for which the Contractor may be responsible hereunder in whole or in part, then the Contractor shall be notified and shall be required to handle or participate in the handling of the portion of the claim for which it is responsible as a result of this section.
- 3.7 The Contractor shall leave the storage area in a clean and orderly condition, free from any spillage. The Contractor shall be responsible for any spill clean-up at the site due to the removal process.
- 3.7 All expenses incidental to the removal, re-refining/blending and/or disposal of the waste products shall be completely the responsibility of the Contractor.
4. PICK-UPS
- 4.1 Pickup and extraction shall be from either above-ground or below-ground tanks and/or drums located at City facilities, as directed by the City.
- 4.2 Currently, the City has a 1,500 gallon waste oil tank at the Central Vehicle Maintenance Facility, 945 Mt. Read Blvd, Rochester, NY, and a 275 gallon waste oil tank at the Rochester Fire Training Academy, 1190 Scottsville Rd., Rochester, NY. Waste anti-freeze is stored in 55 gallon drums at these locations.
- 4.3 The City reserves the right to add/or delete storage facilities and change the sizes of the storage facilities as needed during the terms of this contract. The Contractor agrees to pick up and extract product from any City facility as requested.

## WASTE OIL, AUTOMOTIVE/ANTI FREEZE- REMOVAL & RE-REFINING/RECYCLING

### 5. QUALIFICATIONS OF BIDDER

- 5.1 In addition to all items specified under paragraph 23 of the General Conditions and Instructions to Bidders, the City may consider the following in determining a bidder's responsibility:
- 5.1.1 That the bidder has in operation a service facility adequate for and actively engaged in the services specified hereunder;
  - 5.1.2 That the bidder employs qualified personnel to render prompt, efficient and quality service;
  - 5.1.3 Previous performance under City contracts or contracts of sufficient and comparable size with other customers.
- 5.2 Upon request, the bidder must provide the City with information about how the bidder will re-refine/re-use and/or dispose of the used motor oil picked up during the term of this contract.
- 5.3 Upon request, the bidder must provide the City with information about how the bidder will re-refine/re-use and/or dispose of the used antifreeze picked up during the term of this contract.
- 5.4 The City of Rochester may inspect the bidder's facility and/or the refiner's/manufacture's facility and may require submittal of any additional information needed to verify that the bidder will meet all the terms and conditions of this contract.

### 6. CONTRACT PERIOD

- 6.1 The contract will run from the date of contract award through May 31, 2017.
- 6.2 The City may extend the contract under the same terms and conditions for up to three (3) years, in increments of (1) one year or less from date of expiration, provided such extension is mutually agreeable to both the City and the contractor.

### 7. METHOD OF AWARD

- 7.1 Award will be made to the responsive and responsible bidder whose Total Bid Price Offer results in either the highest net income or the lowest net cost to the City.

## **WASTE OIL, AUTOMOTIVE/ANTI FREEZE- REMOVAL & RE-REFINING/RECYCLING**

- 7.2 The bidder must select one of two options for used oil and used anti-freeze. For each product, bidder should offer to either pay the City a per gallon price, or charge the City a per gallon price. The City will add the extension of the offer for the used oil and the extension of the offer for the used antifreeze, which will result in the Total Bid Price offer.

### **8. PRICING**

- 8.1 Per gallon pricing offered to the City at the time of this bid (either revenue to the City or cost to the City) shall be firm for ninety (90) days after award.
- 8.2 If market conditions fluctuate by more than 10% over the bid price, either the City or the Contractor may request a change in the per gallon price to be paid to or by the City. Such request must be made in writing. If mutually agreed, the price revision shall take effect with the next pick-up.
- 8.3 Price revisions may be requested no more frequently than every ninety (90) days during the term of the contract and any extension(s).
- 8.4 The intent of Section 8 is to recognize that significant market fluctuations may occur where the contract prices should change to reflect the market. However, if the Contractor and the City cannot mutually agree on a price change as described herein, the City reserves the right to terminate this contract and solicit new bids.

### **9. QUANTITIES**

- 9.1 Quantities shown on the Proposal are annual estimates only, and are not a guarantee of actual quantities and dollar volumes for this contract. The contract will be for the actual quantities picked up during the contract term.
- 9.2 For informational purposes only, historically, the City has required extraction of approximately 700-800 gallons of used oil approximately 8 - 10 times per year from the Mt. Read facility and approximately 200 gallons of used oil approximately 8 – 10 times from the Fire Academy facility. Used anti-freeze pickups vary as needed.

### **10. EXTRACTIONS**

- 10.1 All extractions must be made in the presence of an authorized City representative.
- 10.2 At the time of extraction, the City must be provided with a receipt indicating the amount of waste oil and/or anti-freeze removed, date, time, the name of the person performing the removal, and the City authorized representative's signature.

## **WASTE OIL, AUTOMOTIVE/ANTI FREEZE- REMOVAL & RE-REFINING/RECYCLING**

- 10.3 The contractor must certify on the receipt where the used oil and/or anti-freeze will be delivered to for processing.

### **11. PAYMENT**

- 11.1 If either the waste oil or the used anti-freeze price offer per gallon is a cost to the City, the City will issue one or more purchase orders to pay for the removal service. The contractor must invoice the City for any product removed. The invoice may be on a standard contractor's invoice, but must include at a minimum a copy of the receipt required in Section 10.2, the purchase order number, the date of the pick-up, the gallons extracted, and the unit price to the City. The invoice shall be delivered to designated City department representative.
- 11.2 If either the waste oil or used anti-freeze price offer per gallon is a payment to the City, the contractor must pay the City the amount due within thirty (30) days of the removal. Payment must be accompanied by sufficient information to track the payment, which shall be at a minimum a copy of the receipt required in Section 10.2 and the price per gallon, which shall match the amount of the payment to the designated staff in the office of the Purchasing Agent.
- 11.3 The then current contract price per gallon shall be used to determine the cost owed by the City or payment to be made by the Contractor for the product removed by the Contractor for the invoice and/or payment.

### **12. WASTE OIL CONTENT**

This waste oil will consist of approximately 95-98% motor oil and/or hydraulic oil.

### **13. W-9**

A W-9 is required with each bid.

### **14. NON-SPECIFIED**

- 14.1 The City reserves the right to negotiate prices with and order from the contractor, non-specified items and/or services that are comparable to and/or complement the services specified herein.
- 14.2 Non-specified items or services will be added to the contract if approved by the City, and ordered by a purchase order. Items/services not approved and added to the contract will not be paid.

15. POLITICAL SUBDIVISIONS

Bidders should note that other political subdivisions may participate in the contract resulting from this bid award as authorized by General Municipal Law. Use of this contract by any other political subdivision must be coordinated between that subdivision and the contractor. The City will have no responsibility for any such purchases and will have no other role than to provide other political subdivisions a copy of this contract if requested.

16. NON-COLLUSIVE BIDDING CERTIFICATION

By submission of this bid, each bidder and each person signing on behalf of any bidder certifies, and in the case of a joint bid each party certifies as to its own organization, under penalty of perjury, that to the best of knowledge and belief:

- 16.1 The prices in this bid have been arrived at independently without collusion, consultation, communication, or agreement, for the purpose of restricting competition, as to any matter relating to such prices with any other bidder or with any competitor.
- 16.2 Unless otherwise required by law, the prices which have been quoted in this bid have not knowingly been disclosed by the bidder and will not knowingly be disclosed prior to the opening, directly or indirectly, to any other bidder or to any competitor.
- 16.3 No attempt has been or will be made by the bidder to induce any other person, partnership, or corporation to submit or not to submit a bid for the purpose of restricting competition.

## **GENERAL CONDITIONS AND INSTRUCTIONS TO BIDDERS**

(Vendor: The general rules and conditions which follow apply to all purchases and become a definite part of each formal invitation to bid, purchase order or other award issued by the City Purchasing Agent, unless otherwise specified. Bidders or their authorized representative are expected to fully inform themselves as to the conditions, requirements and specifications before submitting bids. Failure to do so will be at the bidder's own risk and he cannot secure relief on the plea of error.)

Subject to applicable Federal, State and Local laws, ordinances, rules, regulations and limitations, bids on all advertisements and invitations issued by the Department of Finance, Purchasing Bureau will bind bidders to applicable conditions and requirements herein set forth unless otherwise specified in the Invitation to Bid.

### **CONDITIONS OF BIDDING**

1. **Proposal Forms:** Bids shall be submitted only on the forms provided by the City. The bidder shall retain one copy for his files and submit two (2) copies signed and sealed in the envelope provided by the City for that purpose. When using an envelope other than the one provided by the City, the following required information must be entered in the lower left corner on the face of the envelope: Bid Number, Bid Title, Bid Open Date and Time, and Submitted By. The envelope must be mailed or hand delivered to the Office of the Purchasing Agent, City Hall, Room 105A, 30 Church St., Rochester, NY 14614.
2. **Late Bids:** Formal bids, amendments thereto, or requests for withdrawal of bids received by the City after time specified for bid opening will not be considered.
3. **Withdrawal of Bids:** A written request for the withdrawal of a bid or any part thereof may be granted if the request is received by the City prior to the specified time of opening.
4. **Mailing of Bids:** Bids which are to be publicly opened will have attached a special mailing envelope which must be used by bidders in presenting such bids. In the event that the bid contains bulky subject material, the special mailing envelope must be firmly affixed to any other wrapper being used. Bids not received in the actual office of the Purchasing Agent at the time established for bid opening will not be considered, even if mailed earlier.
5. **Completeness:** All information required by Invitation to Bid must be supplied to constitute a proper bid.
6. **Bids Binding 45 Days:** Unless otherwise specified, all formal bids submitted shall be binding for forty-five (45) days following bid opening date unless the bidder(s), upon request of the Purchasing Agent, agrees to an extension.
7. **Conditional Bids:** Qualified bids are subject to rejection in whole or in part.
8. **Payment Terms:** Prompt payment discounts allowing less than thirty (30) days for discount to apply shall not be considered as a cost factor in the evaluation of bids. In connection with any

prompt payment discount offered, time will be computed from the date of receipt of correct invoice or receipt and acceptance of shipment, whichever is later.

9. **Bids for All or Part:** Unless otherwise specified by the City or by the bidder, the Purchasing Agent reserves the right to make award on all items, or on any of the items according to the best interests of the City. The Purchasing Agent shall further have the right to award separate items or groups to different vendors. Bidder may restrict his bid to consideration in the aggregate by so stating, but should name a unit price on each item bid upon; any bid in which the bidder names a total price of all the articles without quoting a price on each and every separate item may be rejected at the option of the City.
10. **Errors in Bids:** When an error is made in extending total prices, the unit bid price will govern. Carelessness in quoting prices, or in preparation of bid otherwise, will not relieve the bidder. Erasures or changes in bids should be initialed.
11. **Questions Re: Specifications:** Except for Public Works, any information relative to interpretation of specifications and drawings shall be requested of the Purchasing Agent, in writing, in ample time before the opening of bids.

DO NOT MAKE INQUIRES BY PHONE OR IN PERSON.

No inquiries, if received within five (5) days of the date set for the opening of bids, will be given any consideration. Any interpretation made to prospective bidders will be expressed in the form of an addendum to the specifications which, if issued, will be sent by ordinary or certified mail, at the City's option, to all prospective bidders no later than three (3) days before the date set for opening of bids. Oral answers will not be binding on the City.

12. **Response to Invitations:** In the event you cannot submit a bid on our requirements, as set forth in the "Invitation, Bid, and Agreement" attached hereto, please return the Invitation, Bid and Contract form with an explanation as to why you are unable to bid on these requirements. (Because of the large number of firms listed on the City's qualified lists of Bidders, it is necessary to delete from these lists the names of those persons, firms or corporation who fail to respond after having been invited to bid on a commodity or commodities for three successive bid openings). City reserves the right to delete.
13. **Multiple Bids:** No bidder will be allowed to offer more than one price on each item even though he may feel that he has two or more types or styles that will meet specifications. Bidders must determine for themselves which to offer. IF THE BIDDER SHOULD SUBMIT MORE THAN ONE PRICE ON ANY ITEM, ALL PRICES FOR THAT ITEM MAY BE REJECTED AT THE DISCRETION OF THE CITY PURCHASING AGENT.
14. **Taxes:** The City of Rochester is exempt from State and Local sales and use taxes under Certificate No. AC 946 and is exempt from paying Federal excise taxes.
15. **Catalogs:** Each bidder shall submit in duplicate where necessary or when requested by the Purchasing Agent, catalogs, descriptive literature, and detailed drawings, fully detailing features, designs, construction, finishes and the like necessary to fully describe the material or work he proposes to furnish.
16. **Competency of Bidder:** No proposal will be accepted from or contract awarded to any person, firm or corporation that is in arrears or is in default to the City upon any debt or contract, or that is a defaulter, as surety or otherwise, upon any obligation to said City or had failed to perform faithfully within the prior three (3) years of any contract with the City. The bidder must present within 48 hours of a request evidence satisfactory to the Purchasing Agent of performance ability

and possession of necessary facilities, pecuniary resources and adequate insurance to comply with the terms of these specifications and contract documents.

### BID DEPOSIT

17. **Bid Bond, Cash, Certified or Cashier's Check:** When required, each bid shall be accompanied by a bid bond signed by a surety company authorized to do business in the State of New York, or by a cashier's check, certified business check, Treasurer's check or other direct obligation drawn on a responsible bank doing business in the United States, and shall be made payable to the City of Rochester, unless the bidder has on file with the Purchasing Agent an annual bid bond approved by the City with an uncommitted balance equal to the certified check requirements. When computing amount of Bid for Certified Check purposes, do NOT deduct for trade-ins. U.S. Postal Money Orders are acceptable in lieu of certified checks.

18. **Annual Bid Bonds:** Bidders who regularly do business with the City shall be permitted to file with the Purchasing Bureau an annual bid bond in the amount specified below. Such annual bonds shall be acceptable as surety in lieu of the furnishing of surety with each individual transaction.

Annual bid bonds shall be in an amount as determined by the bidder, of no less than Three Thousand Five Hundred Dollars (\$3,500.00). If at any time the requirements of a specific bid invitation exceed the amount of the annual bid bond, or should the aggregate amount of the bid security requirements on all unresolved bids submitted by your firm exceed the amount of the annual bid bond, additional surety will be required in the appropriate sum.

19. **Performance Bond:** The successful bidder or bidders on this bid must furnish a performance bond as indicated on the bid cover made out to the City of Rochester, prepared on an approved form or on a form supplied by an approved surety, as security for the faithful performance of his contract, within ten (10) days of his notification that his bid has been accepted. The surety thereon must be such surety company or companies as are authorized and licensed to transact business in the State of New York. Attorneys in fact who sign bid bonds must file with each bond a certified copy of their power of attorney to sign said bonds.

The successful bidder or bidders, upon failure or refusal to furnish within ten (10) days after his notification the required performance bond, shall forfeit to the City of Rochester as liquidated damages their bid deposit. At its option, the City shall have the right to accept cash, certified checks, letters of credit or such other security as the City deems appropriate in satisfaction of the foregoing bond requirements.

20. **Samples:** The samples submitted by bidders on items which they have received an award may be retained by the City until the delivery of contracted items is completed and accepted. Bidders whose samples are retained may remove them after delivery is accepted. Bidders who are not awarded a bid must remove their samples as soon as possible after award has been made on the item or items for which the samples had been submitted. The City will not be responsible for such samples if not removed by the bidder within thirty (30) days after the award has been made.

Bidders shall make all arrangements for delivery of samples to place designated by the City as well as the removal of samples. Cost of delivery and removal of samples shall be borne by the bidder. All samples packages should be marked "Samples for Purchasing Bureau" and each sample should bear the name of the bidder, item number, bid number, and shall be carefully tagged or marked in a substantial manner. Failure of the bidder to clearly identify samples as indicated may be considered sufficient reason for rejection of bid, and in such cases the City will not be liable for the loss of samples.

## SPECIFICATIONS

21. **Trade Names:** In cases where an item is identified by a manufacturer's name, trade name, catalog number or reference, it is understood that the bidder proposes to furnish the item so identified and does not propose to furnish an "equal" unless the proposed "equal" is definitely indicated therein by the bidder.

The reference to a name brand is intended to be descriptive but not restrictive and only to indicate to the prospective bidder articles that will be satisfactory. Bids on other makes and catalogs will be considered, provided each bidder clearly states on the face of his proposal exactly what he proposes to furnish, and forwards with his bid, a cut, illustration, or other descriptive matter which will clearly indicate the character of the article covered by the bid.

The Purchasing Agent hereby reserves the right to approve as an equal, or to reject as not being equal, any article the bidder proposes to furnish which contains major or minor variations from specification requirements but may comply substantially therewith.

If no particular brand, model, or make is specified, and if no data are required to be submitted with the bid, the successful contractor, after award and before manufacture or shipment, may be required to submit working drawings or detailed descriptive data sufficient to enable the Purchasing Agent to judge if each requirement of the specifications is being complied with.

22. **Formal Specifications:** The Bidder shall abide by and comply with the true intent of the specifications and not take advantage of any unintentional error or omission, but shall fully complete every part as the true intent and meaning of the specifications and drawings. Whenever herein mention is made of any article, material, or workmanship to be in accordance with laws, ordinances, building codes, underwriter's codes, A.S.T.M. standards, or similar expressions, the requirements of these laws, ordinances, etc. shall be construed as the minimum requirements of these specifications.

## AWARD

23. **Award or Rejection of Bids:** The contract will be awarded to the lowest responsible and responsive bidder complying with the provisions of the Invitation, provided the bid price is reasonable and it is to the interest of the City to accept it. The Purchasing Agent reserves the right to reject any or all bids and to waive any informality in bids received whenever such rejection or waiver is in the interest of the City. The Purchasing Agent also reserves the right to reject the bid of a bidder who has previously failed to perform properly or complete on time contracts of a similar nature, or a bid of a bidder where investigation shows the bidder is not in a position to perform the contract.

In determining responsibility, the following other qualifications, in addition to price, will be considered by the Purchasing Agent:

- a) The ability, capacity and skill of the bidder to perform the service required within the specified time.
- b) The character, integrity, reputation, judgment, experience and efficiency of the bidder.
- c) The quality of performance of previous contracts or services.
- d) The previous and existing compliance by the bidder with laws and ordinances relating to previous contracts with the City and to the bidder's employment practices.

e) The sufficiency of the final resources and ability of the bidder to perform the contract or provide services.

f) The quality, availability and adaptability of the supplies or contractual services to the particular use required.

g) The ability of the bidder to provide future maintenance and service for the use of the subject of the contract.

h) Whether the bidder is in arrears to the City, in debt on contract, is a defaulter on surety to the City, or whether the bidder's taxes or assessments are delinquent.

l) Such other information as may be secured by the Purchasing Agent having a bearing on the decision to make the award.

In determining a bidder's responsiveness, the Purchasing Agent shall consider material deviations from the advertised specifications which materially affect price, quantity, quality or limit the bidder's liability.

24. **Notice of Acceptance:** A written award (or Acceptance of Bid) mailed (or otherwise furnished) to the successful Bidder within the time for acceptance specified in the Invitation to Bid shall be deemed to result in a binding contract without further action by either party.
25. **Tie Bids:** If two or more bidders submit identical bids and are equally qualified, the decision of the City to make award to one or more of such bidders shall be final. Selection may be made by drawing lots.
26. **Resident Bidders - Preference:** Price and other factors being equal, preference may be given first to resident bidders of the City, except when in the judgment of the City such purchases would operate to the disadvantage of the City, and selection by drawing lots shall not apply where the tie bids are between a resident and non-resident bidder.
27. **Specific Bid Quantities:** Where quantities are specifically stated, acceptance will bind the City to order quantities specified and to pay for at contract prices all such supplies or services delivered that meet specifications and conditions of the contract. However, the City will not be required to accept delivery of any unordered balances as of the contract expiration date unless the contractor furnishes the Purchasing Agent with a statement of unordered balances not later than ten (10) days after the termination date of the contract.
28. **Requirements Bid Quantities:** On "Requirements" bids, acceptance will bind the City to pay for, at unit bid prices, only quantities ordered and delivered.
29. **Availability of Funds:** The City shall be obligated to pay for goods and services received only to the extent that money has been appropriated and encumbered for such purpose. The contractor in turn shall be obligated to perform only so long as money is available to pay for the goods and services it supplies. If this contract extends through one fiscal year of the City into the next year, the City's obligations hereunder shall be specifically limited to and shall be conditioned upon the appropriations for such following year.
30. **Contract Alterations:** The contractual terms, conditions and provisions of this contract, including all general conditions and instructions to bidders, shall not be modified by the bidder. The Purchasing Agent shall have the right, at his option, to treat any bid submitted with additional or differing contract provisions as informal or to ignore such additional provisions and to award as if

such additional provisions had not been submitted by the bidder. This section shall not apply if the request for bids or the specifications specifically invite the bidder to submit additional or modifying provisions, but only to the extent that such additional or modifying provisions are requested by and are acceptable to the Purchasing Agent. Where the bidder submits a bid for goods or services which vary from the City's specifications, the decision of the Purchasing Agent of whether such goods or services are functionally equivalent to the goods or services requested by the City shall be final. Alterations or changes in the specifications of the goods or services furnished under this contract can only be made upon the written authorization signed by the Purchasing Agent, and any other alteration or modification that is not signed by the Purchasing Agent or his designated representative shall be void. Alterations in contract language shall further require the approval of the City Department of Law.

31. **Term of Contract:** This contract shall remain in force for the period specified unless extended by mutual consent of both parties or terminated as provided herein.
32. **Termination of Contracts:** Contracts shall remain in force for full periods specified and until all articles ordered before date of termination shall have been satisfactorily delivered and accepted and thereafter until all requirements and conditions shall have been met, unless:
  - a) terminated prior to expiration date by satisfactory deliveries of entire contract requirements.
  - b) extended upon written authorization of the Purchasing Agent and accepted by contractor, to permit ordering of unordered balances or additional quantities at contract prices and in accordance with contract terms.
33. **Subletting of Contract:** It is mutually understood and agreed that the Contractor shall not assign, transfer, convey, sublet or otherwise dispose of his contract or his right, title or interest therein, or his power to execute such contract, to any other person, firm or corporation without the previous written consent of the City Purchasing Agent, but in no case shall such consent relieve the Contractor from his obligations, or change the terms of the contract.
